The cork base of this ceramic mug serves as a built-in “coaster”, insulating the heat of the liquid inside from the surface of a table or desk. The removable slider lid helps to prevent spills, and also helps to keep your drink warmer for a little longer.

Cork and ceramic combine beautifully to create an attractive natural contrast.

OUTDOOR

The image features a dark, monochromatic background with a complex, marbled texture. The pattern consists of various shades of grey, from deep charcoal to light, almost white, veins and blotches, creating a sense of depth and movement. The overall effect is reminiscent of natural stone or a high-quality paper texture. A thin, white rectangular border frames the entire image. Centered horizontally and slightly below the vertical midpoint, the text "& LEISURE" is displayed in a clean, white, sans-serif font. The ampersand is stylized, and the word "LEISURE" is in all caps.

The image features a dark, almost black, background with a complex, organic marbled pattern. The pattern consists of fine, light-colored veins and larger, irregular patches of a slightly lighter shade of grey or charcoal, creating a rich, textured appearance. A thin, white rectangular border frames the entire image. In the lower-left quadrant, the word "LIVING" is written in a clean, white, sans-serif font. The letter "L" is partially cut off by the left edge of the frame.
